

**Would You like to organize a trip to Spain
" Madrid and Barcelona"
with his students, in the groove
more appropriate, in a natural environment,
just 20 minutes from the center?**

Att. Manager,

We specialize in Travel to Spain for students of secondary education. It is our pleasure to offer their students the best stop coming to Madrid and Barcelona, in an easy, simple, comfortable and above all economic. We have the best proposals and infrastructure for their students, the Center headed by you.

Besides being the Studio Theater - Musical most important in Spain, we are also parallel the Central Reserve's Tour Operator Reception and with more strength and deployment, both at national and international, for YOUNG STUDENTS OF SECONDARY.

We have the best package for school children, fully developed, 2, 3, 4, 5 and 7 days' duration, created and designed for high school students, with ALL INCLUSIVE (Bus, meals, dinners, guides, visits, etc.).

They get everything organized, All inclusive (do not include transportation to Madrid or Barcelona), you do not have to worry about anything, we coordinate all activities; Lodging perfectly chosen for their pupils, with disco Light, so they can interact with young people from other countries, guided tours, museums, theme parks, bus terminal for shipments of the visits, lunches, dinners, guides speaking your language. Ultimately, what we absolutely organized, ALL INCLUSIVE. We want you to enjoy with their students, of beauty and enchantment of Madrid and Barcelona.

Our intention for this new beginning of the school year 2008/09, is to be present at all the colleges and high schools in Europe with our proposals for travel from Madrid and Barcelona. We have many customers who know our product, excellent service, teachers who want to come to Spain with his pupils, and this means that reservations have to be ever more advanced (we have limited spaces in our complex). We want to respect the prices posted on our programs, that is why we need to know as soon as possible dates / book your group. Published prices, are only valid if you make the ADVANCE BOOKING of their group, with banking income by 15 Diciembre 2008 (regardless of whether journey is for the months of January to June 2009). Attached files of the selected proposals for its Center.

Hoping that all these proposals to the liking of school are all (Director, Management Team, Tutors, Teachers, Students and Families), I hope in Madrid and Barcelona with a great team of professionals that will make your stay in Spain, its students remember happily, provided this trip.

We take this opportunity to send a very cordial greeting, seeing it soon in Spain with his students.
